

Accessing Music in Meridian Sooloos

August 2015

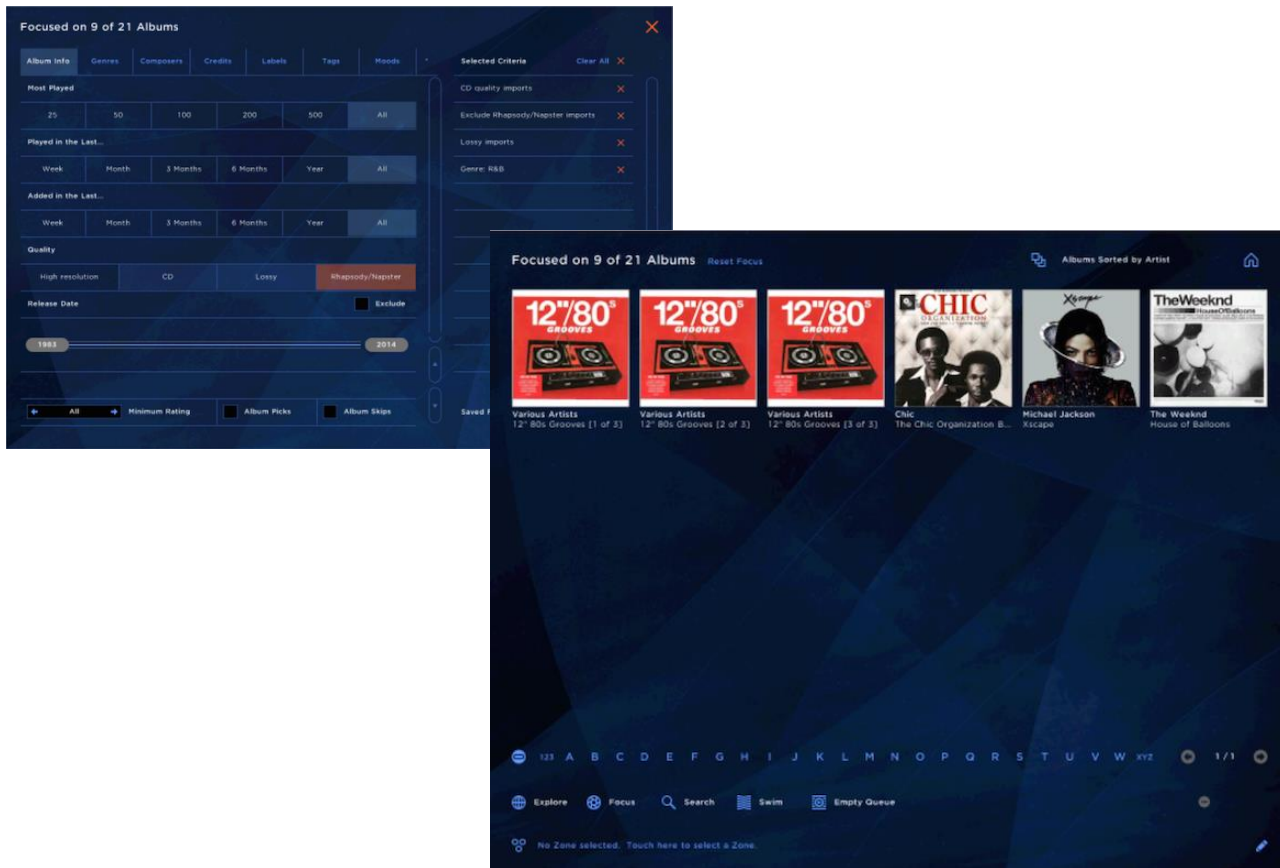

Explore allows you to browse through all your music, in neatly organized lists.

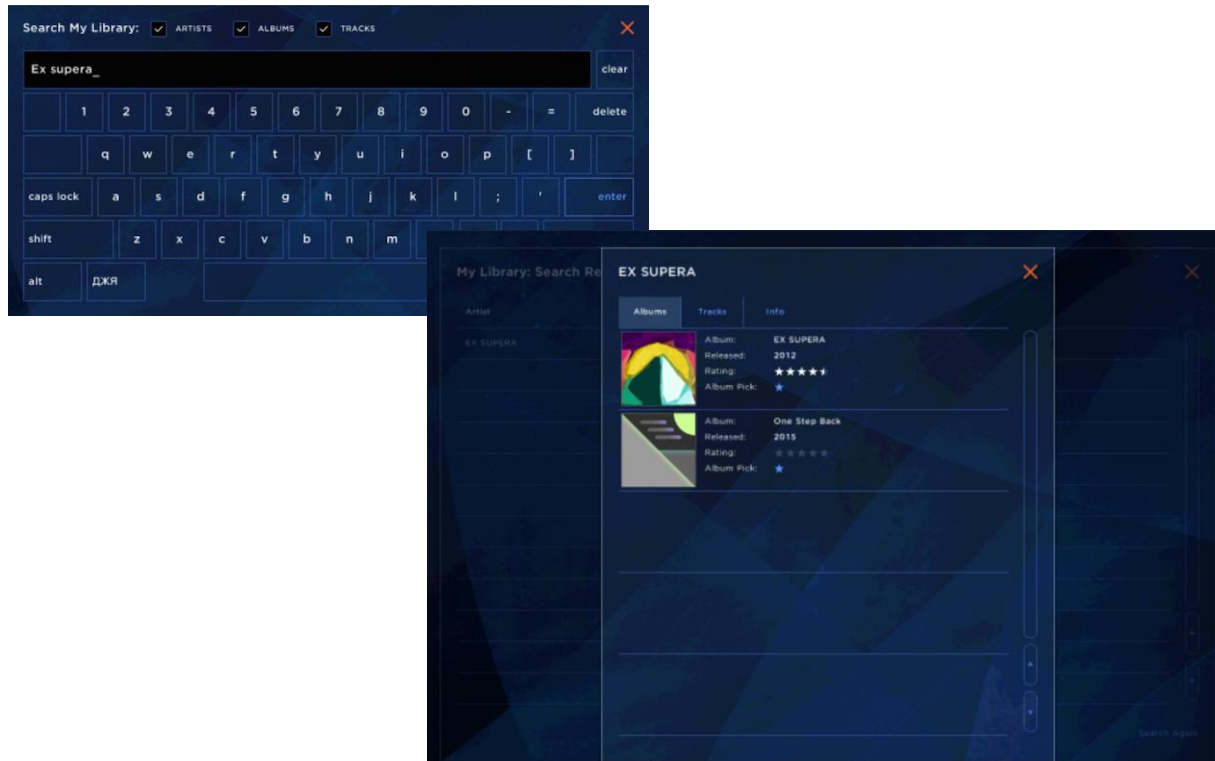

Use this mode to access all music locations and services, including Tidal, Rhapsody/Napster, and TuneIn Radio.

Focus gives you the ability to “zoom in” on your collection, based on a comprehensive list of criteria, including genre, credits, audio quality, and more.

Quickly and easily look for specific Artists, Albums, and/or tracks, using the **Search** function.

Touch an album to bring up its information page, edit metadata, play it, and more.
