

## Sooloos Digital Media System Recommended Routers

**What router should I specify for use with the Meridian Digital Media System?**

We recommend that retailers and installers ensure that a multicast router is in a Sooloos system.

Currently, Meridian recommends the following routers:

- Apple Airport Extreme
- Buffalo WZR-HP-G300NH
- D-Link DIR-825
- Draytek 2820
- Draytek 2920
- Draytek 2930
- Draytek 2950
- Linksys WRT400N
- Linksys E4200
- Netgear WNDR3700
- other comparable dual band 'N' routers with Multicast compliance (IGMP - Internet Group Management Protocol)
